Mobile Phones and Social Media

Mobile phones and communication devices are often given to young people and vulnerable persons for security, enabling parents / carers to keep in touch and make sure they are safe. However, such technology has also allowed an increase in direct personal contact with young and vulnerable persons, in some cases used to cross personal boundaries and cause harm.

Within clubs there is a need to encourage responsible and secure use of these devices.

In this respect Members are asked:

- Don't use the phone in certain locations; inappropriate use of your camera phone may cause upset or offence to another person, e.g. changing rooms, or may cause a safety risk e.g. on the water.
- Not to take videos, photos of other members, coaches or those present at events/training without permission
- Not to post to other members social media channels or phone numbers or other communication methods any comments, criticism or inappropriate commentary.
- Seek permission from parents if there is a need to contact coaches, volunteers or other club leaders.

Any misdemeanours or general misbehaviour will be addressed by the immediate coach and reported verbally to the Club Children’s Officer. Persistent misbehaviour may result in dismissal from the Club/sport. Parents / Guardians will be informed at all stages.

Dismissals may be appealed with final decisions taken by the Club Committee or referred to the Rowing Ireland depending on the procedure followed.

By signing below, you are committing to and agreeing with the above. Any breach in this Code of Conduct will be dealt with appropriately and in accordance with the Rowing Ireland Complaints and Disciplinary process
